

Docket No. AB-276U

Remarks

Applicants have amended the following paragraphs to correct inadvertent typographical errors as follows:

- On page 1, paragraph [0001], line 2, the date has been corrected from "28 March 2004" to "28 March 2003".

No new matter has been added into the application by way of these amendments.

Applicants appreciate the Examiner's allowance of the claims. Applicants submit the following comments concerning the Examiner's reasons for allowance and Response to Arguments cited in the Notice of Allowance. It is the subject matter of each claim as a whole that is patentable, not any particular feature recited in the claim(s). Applicants do not concede that the reasons for allowance or the Response to Arguments given by the Examiner correctly characterize the claim(s) or are the only reasons that make the claims allowable. Applicants do not make any admission or concession concerning the Examiner's statements.

Respectfully Submitted,

February 17, 2006
